**Dillingham City School District  
Home Support for Internet  
“For all enrolled students – Due by September 23”**

To support students’ ability to complete school work at home and online if the district needs to move to a high-risk learning environment, students will need Internet at home. Through support from the Curyung Tribal Council, Alaska Community Foundation and the City of Dillingham, we will be able to cover these costs for your home throughout the school year.

To be eligible for this financial support, students must be enrolled in the district, parents/guardians must complete a **Nushagak – Authorization for Release of Information Form** and have it **returned to the district. Forms received by September 23 will have internet costs covered for the month of October.** Any forms received after the 23<sup>rd</sup> of a month will not be eligible for covered internet costs until the next complete monthly billing cycle arrives (Example: Forms received by September 23<sup>rd</sup> will have October costs covered and forms received by October 23 will have November costs covered). Amounts will be paid directly to Nushagak based on the table below and will be sent to Nushagak between the 1<sup>st</sup> and 10<sup>th</sup> of each month.

Number of Students in Home	Maximum Data Needed for Coursework per Month	Nushagak Fee per Month	DCSD Amount Paid to Family Account per Month	Remaining Cost to Family for Data needed for coursework
